Guardaroba aperto per cabine armadio, attrezzato con tutti gli elementi per personalizzare e ottimizzare capienza e funzionalità degli spazi. Particolare attenzione è stata dedicata agli elementi verticali che non sono considerati come dei semplici schienali, ma danno vita alle pareti, diventano protagonisti grazie alla finitura a motivi rigati in rilievo.

In particolare, per mantenere l'effetto scenico delle pannellature a rilievo, si è optato per ante di ampie dimensioni, e quindi con sistemi di apertura scorrevole o complanar.

Struttura in legno multistrato.

An open wardrobe for walk-in closets, equipped with all the elements to customize and optimize the capacity and functionality of spaces. Special attention has been paid to vertical elements that are not just considered as simple backrests, but which make the walls come alive and become the protagonists thanks to the finishing of striped motifs in relief.

In particular, to maintain the scenic in-relief effect of the panels, we opted for large doors, with sliding or coplanar opening systems.

Structure in plywood.

Tops and storage units finished with wood essence.

Covering of the front of the drawers in leather P2.

Open back panels and doors in plywood covered in synthetic leather with three-dimensional relief.

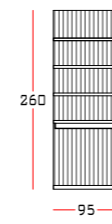

Accessories in painted metal.
