

avana

Avana nasce dall'ibridazione stilistico formale suggerita dalle forme iconiche delle prime muscle car americane con il fascino esotico che suscitano le meraviglie della capitale Cubana. Una sinergia sussurrata dal richiamo a linee massicce miscelate con rifiniture di pregio ed una matericità evocativa.

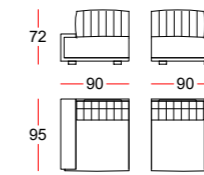

Avana originated from the formal stylistic hybridization suggested by the iconic shapes of the first American muscle cars with the exotic charm that the wonders of the Cuban capital evokes. A synergy whispered by the reference to massive lines mixed with fine finishing touches and an evocative materiality.

Struttura in legno multistrato e massello.
 Rivestimento struttura in cuoietto P3.
 Imbottitura in poliuretano espanso a quote differenziate.
 Rivestimento cuscini in tessuto.
