

leonardo

E' la fusione di due diverse culture di alto artigianato: il sarto ed il sellaio. In un alveo di legno rivestito di cuoio sono accolti morbidi cuscini in pelle o stoffa. Il risultato è un affascinante connubio tra rigido e morbido che invita all'accoglienza.

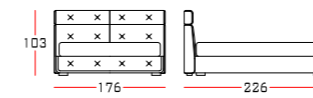

It's the fusion of two different cultures of high craftsmanship: the tailor and the saddler. Soft cushions in leather or fabric are accommodated in a wooden bed covered with leather. The result is a fascinating combination between hard and soft that feels very welcoming..

Struttura in legno multistrato.
Rivestimento struttura in cuoietto P3.
Imbottitura cuscini in poliuretano espanso a quote differenziate.
Rivestimento cuscini in tessuto o pelle P3, P2.
