La sperimentazione e la combinazione di diverse finiture e materiali in un prodotto alla vista semplice ma complesso nei suoi dettagli.

Dalla scelta della pelle, le sue cuciture che ne esaltano le forme, fino alla combinazione con il noce e il marmo per il piano del tavolo.

Materiali preziosi sapientemente lavorati e disegnati per creare una perfetta combinazione di eleganza e armonia.

Linee sottili e leggere ispirano la forma di un aereo.

Le gambe, con la forma affusolata e curvata ne ricordano le ali. Il top, con lo squarcio a 45 gradi, dona una sensazione di leggerezza al tavolo.

The experimentation and the combination of different finishes and materials in a product that looks simple but it's actually complex in its details.

From the choice of leather, the seams that enhance the shapes, to the combination with walnut wood and marble for the table top.

Precious materials expertly crafted and designed to create a perfect combination of elegance and harmony.
