

globetrotter

Nato per viaggiare, Globetrotter ha un disegno sottolineato dalla forza espressiva dei dettagli in cuoio, delle cuciture, delle giunture. Le sue dimensioni contenute lo rendono facilmente utilizzabile in casa, come "forziere" in cui riporre oggetti, da tenere in bella mostra di sé.

Born to travel, Globetrotter has a design highlighted by the expressive force of leather details, seams, joints. Its small size makes it easy to use at home, as a "chest" in which to store objects, and to just to show it off on display.

Baule con struttura in legno multistrato rivestito in cuoio P1 o cuoietto P3. Interno rivestito in tessuto. Maniglia in pelle.
