

# portofino

Portofino vuole alleggerire la tradizionale e consueta imponenza di uno scrittoio di dimensioni importanti facendolo librare leggero in appoggio sulla penisola della madia accanto.

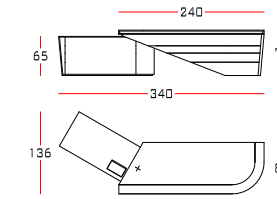

Un grande promontorio di lavoro per uno studio dalle linee raffinate.

La sua forma si ispira al fasciame di uno scafo, con cui si realizza una sagoma filante e leggera, senza spigoli tradizionali, con linee che ricordano le barche, il mare...

Portofino aims at lightening the traditional and usual grandeur of a large desk by making it hover lightly, resting on the peninsula of the cupboard beside it.

A great working promontory for a study with refined lines.

Its shape is inspired by the planking of a hull, with which a streamlined and light silhouette is created, without the traditional sharp corners, its contours reminiscent of boats and the sea...
