

adelaide

Adelaide è un omaggio alla memoria, una poltroncina che parla un linguaggio universale fatto di curve morbide e dettagli che evocano un'eleganza senza tempo. Le sue linee, ispirate a forme archetipiche del passato, ci accolgono con una familiarità rassicurante, come un ricordo che torna alla mente con dolcezza.

Ma Adelaide non è solo nostalgia: sotto il suo profilo raffinato pulsa un cuore contemporaneo. La struttura, nata dalla sapiente curvatura di fogli di legno multistrato, è un capolavoro di solidità e leggerezza. Il rivestimento in Cuoietto, tagliato e cucito con precisione sartoriale, abbraccia la silhouette sinuosa con naturale eleganza, mentre l'imbottitura interna in poliuretano a densità differenziata regala un comfort avvolgente, pensato per accompagnare ogni gesto, ogni momento.

Adelaide è il perfetto equilibrio tra passato e presente, tra bellezza e funzione. Un invito a riscoprire il piacere di sedersi.

Adelaide is a tribute to memory — an armchair that speaks a universal language made of soft curves and details that recall a timeless elegance. Its lines, inspired by archetypal shapes of the past, offer a reassuring sense of familiarity, like a cherished memory gently resurfacing.

Yet Adelaide is more than nostalgia: beneath its refined profile lies a contemporary soul. The structure, crafted from skillfully curved layers of multi-ply wood, is a masterpiece of strength and lightness. Its external shell is wrapped in Cuoietto leather, cut and stitched with sartorial precision to follow every contour of its graceful form. Inside, differentiated-density polyurethane padding offers an embracing comfort, designed to support every movement, every moment.

Adelaide is the perfect balance of past and present, of beauty and function. An invitation to rediscover the pleasure of sitting.

Struttura in legno multistrato.
Imbottitura in poliuretano espanso.
Rivestimento esterno in cuoietto P3,
interno in tessuto o pelle.

Structure in plywood.
Padding in polyurethane foams.
Upholstery in thick leather P3 (external
part) and fabric or leather(internal part).
