

albatro

Una poltroncina dalle dimensioni generose, quasi una chaise longue intima e personale, pensata per accogliere e avvolgere con le sue forme morbide e il comfort profondo. Albatro è un rifugio, un nido avvolgente dove la pelle dell'esterno incontra la calda matericità del tessuto interno, posato su volumi in espanso a densità differenziata, studiati per offrire un sostegno armonioso e rilassante. I braccioli si aprono come ali leggere, accoglienti, amplificando la sensazione di protezione e leggerezza. A completare l'esperienza, un pouf coordinato invita ad abbandonarsi completamente al benessere.

A generously sized armchair, almost like a deeply personal chaise longue, designed to embrace you with its soft curves and exceptional comfort. Albatro is a haven, a cozy nest where the outer leather shell meets the warm texture of fabric on the inside, shaped over foam volumes with differentiated densities to offer perfectly balanced support and relaxation. The overhanging armrests unfold like gentle wings, enhancing the feeling of protection and lightness. To complete the experience, a matching ottoman invites you to surrender fully to comfort.

Struttura in legno multistrato.
Imbottitura in poliuretano espanso.
Rivestimento poltroncina esterno in pelle, interno in tessuto.
Rivestimento pouf in pelle o tessuto.

Structure in plywood.
Padding in polyurethane foams.
Upholstery armchair in leather (external part) and fabric (internal part).
Upholstery pouf in leather or fabric.
