

augusta

Augusta è una sedia che fa della semplicità il suo biglietto da visita. L'aspetto è quasi quello di un foglio di carta con pieghe che ne costituiscono le nervature strutturali, ma il Cuoietto che la ricopre integralmente riveste un solido ma leggero telaio in acciaio. Questo insieme, oltre alle dimensioni contenute, la rende sobria e versatile per l'uso nelle situazioni che vanno dalla casa al lavoro.

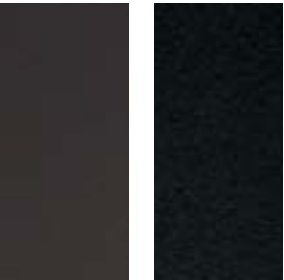

Augusta is a chair that embraces simplicity as its defining feature. Its form recalls a sheet of paper, with folds that create subtle structural ribs—yet it is entirely upholstered in Cuoietto, concealing a solid yet lightweight steel frame. This combination, along with its compact dimensions, makes Augusta a refined and versatile solution, suitable for settings ranging from home to workspace.

Telaio in metallo verniciato.
Rivestimento in cuoietto P3.

Frame in painted metal.
Upholstery in thick leather P3.

thick leather CAT.P3
