

oasis

Oasis è una tela bianca progettata per l'abitare contemporaneo, dove il contenimento diventa un'esperienza estetica d'eccellenza. Grazie a una modularità infinita, il sistema supera ogni vincolo architettonico, adattandosi con naturalezza sartoriale a ogni spazio. Il rigore ingegneristico si fonde con materiali pregiati e laccature sofisticate, dando vita a un'architettura interna evoluta: ripiani luminosi e cassetti in vetro sono esaltati da sistemi LED integrati a scomparsa. Ogni configurazione Oasis è un'opera tailor-made, modellata sulle abitudini di chi la vive. Non un semplice guardaroba, ma un rifugio identitario dove lo spazio si evolve e lo stile rimane unico.

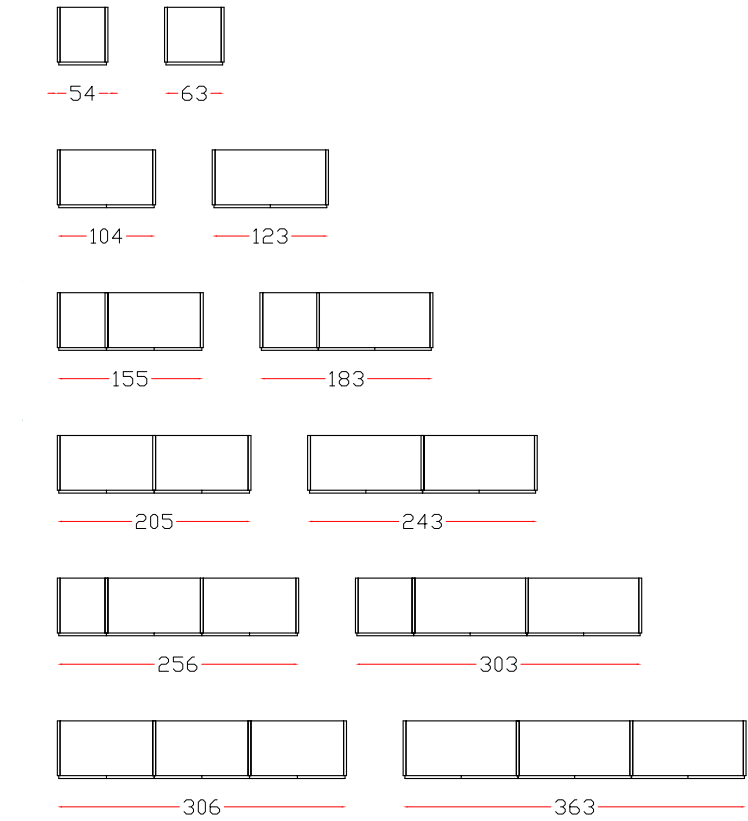

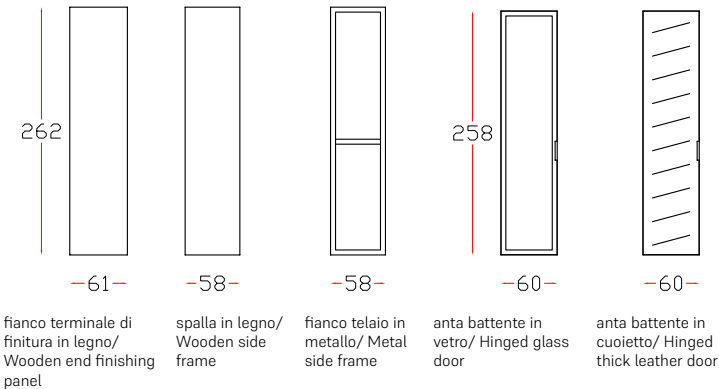

Moduli contenitori e ripiani in legno tamburato finito in essenza di frassino tinto rovere thermo o laccati ral 7022. Ante in legno tamburato rivestito in cuoietto a fasce, con cucitura in contrasto, o in cuoietto liscio. Ante in vetro fumé con telaio in alluminio verniciato piombo. Schienali in legno rivestiti in tessuto Aura. Elementi a giorno composti da fianchi in alluminio verniciato finitura piombo. Accessori finiti in cuoietto. Luce LED opzionale.

Oasis is a blank canvas designed for contemporary living, where storage transcends into an aesthetic experience of excellence. Through infinite modularity, the system defies architectural constraints, adapting to any space with sartorial elegance. Engineering precision meets premium materials and sophisticated lacquers, creating an evolved internal architecture: luminous shelving and glass-fronted drawers are enhanced by seamless, integrated LED lighting. Every Oasis configuration is a tailor-made masterpiece, shaped by the habits of those who inhabit it. More than a simple wardrobe, it is a personal sanctuary where space evolves while your style remains unique.

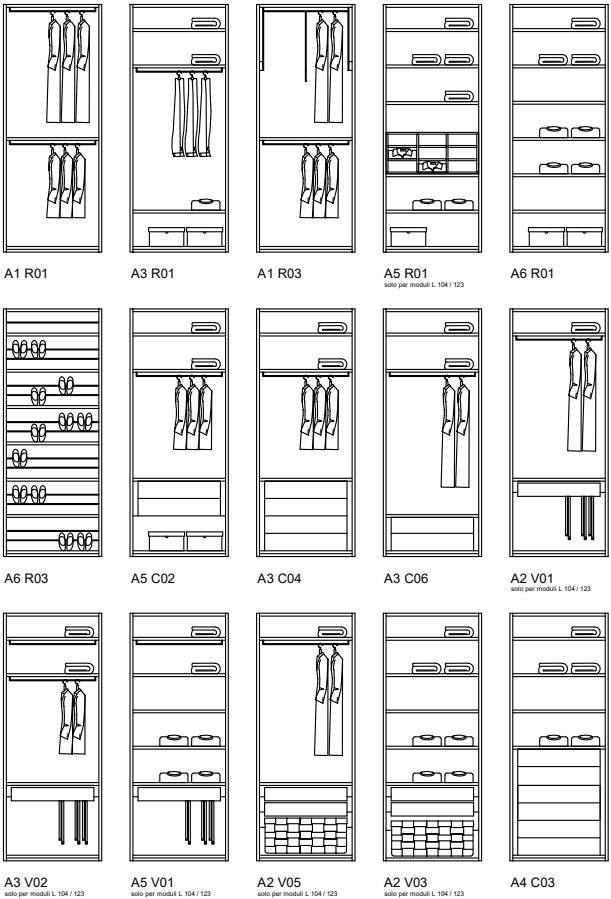

Storage units and shelving in honeycomb core wood finished in ash veneer with a thermo-treated oak stain or lacquered ral 7022. Doors in honeycomb core wood upholstered in banded hide with contrast stitching, or in smooth hide. Smoked glass doors with lead-finish painted aluminum frames.
