

tessa

Tessa non è una semplice poltroncina, ma un frammento di storia che rievoca il fascino nomade dei grandi esploratori. Ispirata agli arredi da campo del secolo scorso, fonde la memoria di terre lontane con una sensibilità contemporanea e raffinata. La sua struttura aerea in legno sfida la gravità, sostenendo una preziosa sella in cuoietto tesa artigianalmente. È un guscio rigoroso che racchiude un contrasto inatteso: una cuscineria soffice e avvolgente, pronta a trasformare ogni sosta in un abbraccio senza tempo. Che sia protagonista in uno studio o accanto al camino, Tessa cattura l'essenza della libertà. La leggerezza di chi è pronto a partire, il comfort assoluto di chi sceglie di restare.

Tessa is more than a mere armchair; it is a fragment of history evoking the nomadic charm of great explorers. Inspired by the field furniture of the last century, it blends the memory of distant lands with a refined, contemporary sensibility. Its airy wooden structure defies gravity, supporting a precious hide leather saddle stretched with artisanal precision. This rigorous shell conceals an unexpected contrast: soft, enveloping cushions ready to transform every pause into a timeless embrace. Whether a centerpiece in a study or fireside companion, Tessa captures the essence of freedom. The lightness of those ready to depart, the absolute comfort of those who choose to stay.
